

OLUWATIMILEHIN AKINSANMI

Remote Web Manager | WordPress Developer | SEO Specialist
Akure, Ondo State, Nigeria | +2348138462476 | oluwatimilehinakinsanmi@gmail.com

Professional Summary

Experienced WordPress Developer and SEO Specialist with a proven track record of modernizing and maintaining websites for global clients across the US, Canada, and Nigeria. Adept at implementing SEO strategies, improving website performance, optimizing content, and ensuring mobile responsiveness. Skilled in collaborating across time zones and managing long-term freelance projects independently. Detail-oriented, tech-savvy, and business-minded, I bridge development, marketing, and design with a strategic mindset.

Core Competencies

- WordPress Design & Maintenance
- HTML, CSS, Basic JavaScript & PHP
- SEO Audits & Optimization (Yoast, SEMrush, GSC)
- Content Updates & Metadata Optimization
- UX/UI Enhancements & Mobile Responsiveness
- Performance Monitoring (Speed, Functionality)
- Website Migrations, cPanel, DNS Management
- Google Search Console & Analytics Reporting
- Schema Markup & Technical SEO Fixes
- Blog Content Optimization & Keyword Strategy
